

The Durham District School Board acknowledges that many Indigenous Nations have longstanding relationships, both historic and modern, with the territories upon which our school board and schools are located. Today, this area is home to many Indigenous peoples from across Turtle Island. We acknowledge that the Durham Region forms a part of the traditional and treaty territory of the Mississaugas of Scugog Island First Nation, the Mississauga Peoples and the treaty territory of the Chippewas of Georgina Island First Nation. It is on these ancestral and treaty lands that we teach, learn and live.

As the Principal here at Anderson CVI for the past 2019-2020 school year I can definitely say that in my career as an educator and administrator, I have never experienced such an unprecedented time. We started the school year like any regular year and I was reminded, as always, how Anderson CVI is such a welcoming, inclusive, and safe place for *all* students to learn. We saw so many successes, including the Terry Fox Walk/Run Fundraiser, a fantastic Music Night, an amazing School Dance, and so much more. Early into semester one, job action began taking place and we experienced strike days. We worked through some challenging days and then the pandemic hit and things became more difficult. We began distance learning as teachers, students and school staff stayed home. Additional emphasis on mental and physical health was needed, as we navigated through this time. Isolation was a challenge for many while others enjoyed their flexible schedules all while missing their friends at school. Each student and family adapted to significant changes in their lives. We couldn't host a prom and we did our best to celebrate our accomplishments through social media. In the month of June staff volunteered to help with the process of locker access, book returns, and chromebook returns. Hours of time and effort went into this process, following instructions from the health department. Any students who did not pick up their belongings or return books will have a chance to do this at the beginning of September. Continue to monitor [www.ddsb.ca](http://www.ddsb.ca) and Anderson's social media sites for updates. Thank you for your efforts this year.

As we come to the end of every semester, we say hello and good-bye to our staff who cover various leaves for permanent staff. This year, we are saying good-bye to Mr. Johnson, Ms. Bajwa, Ms. Langille, Ms. Onwuebele, Mr. Cooper, Mr. Bent, Ms. Murrell and Mr. Waleed. We also have Ms. Sharpe, Ms. Laing, and Ms. Giles heading to new schools to continue their journey as Educational Assistants. As well, we are saying good-bye and happy retirement to Ms. Ristow, Mr. Trites, Ms. Fitzgerald, and Ms. Pleasance. We said good-bye to Ms. Crosby, who will be continuing in her role as Vice Principal at another secondary school. We will miss all of our permanent and temporary staff in the new school year and we wish them all the best! As of July 1<sup>st</sup>, we welcome Mr. Broumeriotis, who is an experienced Vice Principal and who will be responsible for students whose last names begin with letters A-K and Vice Principal White will continue to support students with last names beginning from L-Z. Please feel free to contact your son/daughter's VP should you have any questions or concerns. This includes if you have questions about special education that you would normally have reached out to former Department Head Ms. Ristow. Until we are able to replace Ms. Ristow, please connect with the appropriate VP. We should have a department head in place before school starts up again.

We hope that you enjoy your summer as we continue to plan for what September will look like. Stay positive and healthy and look after each other.

Ms. Pemberton

### KEEPING IT SAFE

“Physical distancing” at it’s best! Your office staff wishes you a fun and safe summer.  
Mrs. Young, Mrs. Chellathamby, Mr. Rahman, Mrs. Winterink and Mrs. Hance.

## Student Services

### Registrations & Timetable Changes

Counsellors will be available in Student Services the week before school starts for timetable changes and new registration appointments. Please call the school at 905-668-5809 to book your appointment.

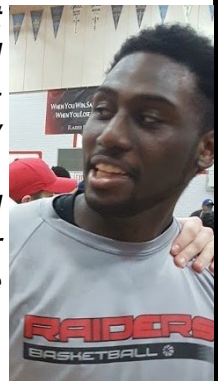

### Summer School

Three types of courses are offered this year at summer school: gap closing / up-grading, credit recovery and accelerated.

There are sessions in both July and August. As information is changing rapidly, please check [www.dce.ca](http://www.dce.ca) for the latest updates.

### VOLUNTEER OF DISTINCTION

*Tyrique is a volunteer coach who has been a big part of our senior boys basketball program for a couple of years now. He volunteers his time with us for the entire season (November to March) and even helps with training during the off season (May, Sept., Oct.). His duties include personal player development, practice planning, assists in running practice, actively participates in practice, game preparation and greatly assists in our annual Whitby Invitational Boys Basketball Tournament in January. Tyrique attends most practices, games and team events. The team practices or plays almost everyday from November to March so his time commitment is tremendous. He relates well to the players as his calm confident nature allows for an easy relationship with players. Tyrique has been a dedicated and essential volunteer in our school basketball program! He is also an Anderson Alumnus!*

**12 DAYS  
OF**

12 Days of MVPs was created to give our student athletes a personal experience and reflection from their coaches on their time, effort and skill that they put forward in their team's LOSSA season. In place of our annual athletic banquet, we felt our students and MVPs's deserved the recognition within our school community, in a similar fashion that they would have received in front of their peers at our banquet. For 22 straight days our coaches posted videos on our social media accounts; (twitter and Instagram) that gave information and appreciation for all that our athletes had done to be selected as their teams MVP, Senior Athletic Letters and our Grade 9 and Junior and Senior Male and Female Athletes of the Year. We were pleasantly surprised by the reaction, appreciation and gratitude that many shared with our athletic department to put together such an endeavour. We will look to do something like this again in the future.

### Raider Gold!

The Anderson girl's hockey team captured LOSSA gold again after defeating Holy Trinity in a tight - first to 3 point - battle. Game one saw the Raiders pick up the 5-2 win. Emily Smythe led the way with all 5 goals. Heading to Rickard Arena for the final game, the girls needed a regulation win or tie to clinch the title, and they did! Anderson tied 2-2 overcoming an offensive barrage in the final minutes with goals by Emily S and Kristen M. Jaiden H was outstanding in net. Special recognition goes to graduating players: Kristen M, Ashlen K, Emily S, Jacqueline C, and Ally G. The majority of these girls clinched an OFSSA berth 3 out of their 4 seasons in high school. The last 4 years have been extremely successful thanks to your dedication and hard work. You will be missed as hockey players, and even more as people.

Senior Boys won the LOSSA Championships in February and proceeded to represent Anderson at OFSSA in Windsor March.

The team won the league regular season title with an 11-1 regular season record. Then beat Holy Trinity and Dennis Oconner in playoff games to advance to the LOSSA Championship. After a close first half the team played a strong second half and defeated Courtice Secondary School 59-53 to claim the LOSSA Championship.

Team members included: Isaac B, Neekan D, Jalen G, Josiah H, Brett M, Kieran M, Meso O, Ryan P and captain Greg T. Manager: Tajah C. Coaches: Tyrique Husbards, Jacob Hutchcroft, Dean Hutchcroft

## Junior Achievement ~ ISP in Anderson CVI's Grade 10 Business Class

“JA’s Investment Strategies Program (ISP) virtually teaches students how to save and invest for the future. The program includes both interactive classroom lessons and an online stock market simulation, Invest JA, where students manage their own simulated stock portfolio. The simulation is linked to live data from North American stock markets and is an exciting, risk-free way for students to apply the investing principles they learn in the program.”

Ms. Fraser introduced this program to the Grade 10 Business Class as part of the Distance Learning Finance Unit. The students in semester 2 participated in teams of 1-3 and competing online against 1900 other students from across Canada. The competition ran from April 27 - June 12, 2020. ### CHROMEBOOK CARE TIPS

1. Carry your Chromebook securely.
  - when moving between classes, have two hands on your device.
2. Keep it on the desk.
  - Corners overhanging the table edge can get caught and cause falls.
3. Keep it dry.
  - Don't leave your Chromebook in a backpack in the rain or on the snow, water can soak up and damage your device.
4. Close the lid
  - When carrying your device, keep it closed up.
5. Watch your backpack.
  - Devices are easily knocked off desk by your bag. Be careful turning around with your bag.
6. Charge at home.
  - Bring your Chromebook home at night and charge it there. Leave your cord at home so it doesn't get lost. Make this a habit.
7. Get a case.
  - Consider using a Chromebook sleeve or cover to add some additional protection.
